

POP IT LEARNING CENTERS

Activities for Alpha-Code, Eyewords, and Eyeword with Sound Mapping.

Alpha-Code Activities:

Say, Pop & Sky Write

- Choose an Alpha-Code card.
- Say the sound using the articulatory cue.
- Do the action shown on the card.
- Pop the matching letter or letter combination that represents that sound.
- Sky write the letter(s) while saying the sound.

Find and Match

- Choose an Alpha-Code card.
- Say the sound.
- Do the action.
- Pop both the uppercase and lowercase forms on your Pop-It.
- Sky write each while saying the sound.

Sound & Action Pop

- Select an Alpha-Code card.
- see → say → do the action → pop → sky write together as a group.
- Repeat with several letters or letter combinations.

Eyewords, and Eyeword with Sound Mapping Activities:

Pop the Eyeword

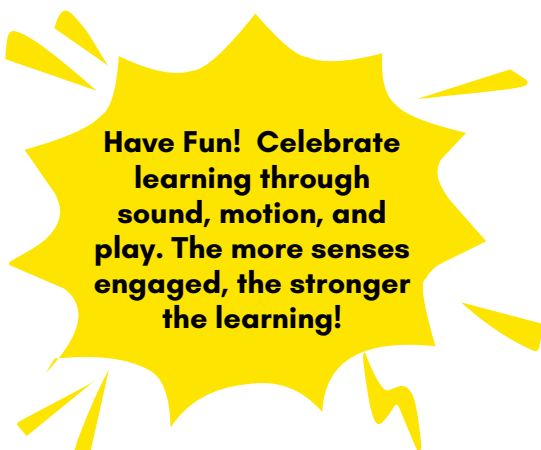

- Draw an Eyeword card.
- See the picture cue.
- Say the word and phrase.
- Pop each letter while spelling aloud.
- Sky write the full word, do the action, and read it aloud.

Map & Pop It

- Choose an Eyewords card.
- Say the word and phrase.
- Say each sound, pop one bubble per phoneme.
- Sky write each letter or letter combination as you spell.
- Do the action for each sound or word.
- Pop the tricky part twice if needed, then read the word.

Pop, Do the Action & Use it

- Pick an Eyewords card.
- see → say the word and phrase → do the action → sky write → pop → read.
- Use the word in a short sentence aloud.

A yellow starburst graphic with jagged edges and several small triangles pointing outwards, resembling a comic book explosion or a celebratory burst.

Have Fun! Celebrate learning through sound, motion, and play. The more senses engaged, the stronger the learning!
